WELCOME MESSAGE

We are pleased to announce a “*Two days International Conference on Contemporary Developments in Natural Medicine and Occupational Therapy*” scheduled on September 20-21, 2023 at University of Poonch Rawalakot Azad Jammu & Kashmir . It will be a pleasure to welcome all researchers, professionals, students and experts from all over the globe to take part in the Natural medicine Conference 2023.

The goal of this conference is to develop research interaction between natural and traditional medicines, as well as to investigate how natural products and traditional medicines can be used to for drug discovery. Keynote sessions, plenary lectures, oral and poster presentations from all corners of the globe with cutting-edge research findings, novel ideas and high-quality scientific content, professional networking opportunities with like-minded people from other sectors, and well-led working groups and panels will be featured at the preeminent congress.

As we develop into various aspects of natural medicine, from herbal remedies to dietary interventions, and mind-body practices to sustainable healthcare solutions, we encourage you to actively engage, share your expertise, and cultivate lasting connections with fellow participants. Together, we can foster a more holistic and inclusive approach to healthcare that incorporates the wisdom of nature.
