

Seminar on Role of Women in Society

The University of Poonch Rawalakot conducted a one-day seminar on the "Role of Women in Society" in partnership with women's rights advocates, the District Police Department Rawalakot, and psychologists. The seminar drew a significant attendance from various educational institutions, including Reed Foundation School, Punjab College Rawalakot, University of Poonch Rawalakot, and Medical College Rawalakot.

During the event, participants delved into discussions surrounding the pivotal role that women play in society, exploring aspects of empowerment, societal contributions, and challenges faced. The collaboration with women's rights advocates, law enforcement, and mental health professionals aimed to provide a comprehensive perspective on the multifaceted issues related to women's roles and well-being in the community.
