

Education for SDGs in wider community

Displaced & migrated people:

Department of Human Nutrition and Dietetics at the University of Poonch Rawalakot, is collaborating with the SOS Children Villages Program, a non-governmental organization. This partnership focuses on providing professional guidance to mothers and conducting regular classes for beneficiaries. The collaboration seeks to empower mothers with valuable nutritional knowledge and skills, fostering a supportive environment for the well-being of orphan children within the SOS Children Villages Program.

Clean and Green Tourism

Students from the Department of botany participated in an awareness walk on “Clean and Green Tourism” on December 15, 2022, in collaboration with Green Youth Movement (GYM) UPR in Banjosa Lake. Students carried out symbolic cleanliness drive along with teachers and members of civil Society to emphasize the importance of cleanliness and environmental wellbeing.

Alumni:

The University of Poonch Rawalakot organized a dedicated session for alumni during the conference on "Climate Smart Agriculture: Innovations & Adaptations" held at UPR from June 15-17, 2022. Alumni actively engaged with current students, sharing insights on recent trends in agriculture. They also provided valuable feedback to contribute to the continuous improvement of the curriculum. This collaborative interaction between alumni and students aimed to foster knowledge exchange and enhance the educational experience in the field of climate-smart agriculture.
