

## **Lecture on Educational Management at Post Graduate Girls College Rawalakot**

Faculty of Agriculture University of Poonch Rawalakot delivered lecture on educational management at the Post Graduate Girls College Rawalkot proved to be an enriching experience for attendees on 14 July 2022. Comprehensive discussions covered vital aspects such as curriculum design, effective faculty management, and strategic planning for educational institutions. The engaging session not only equipped postgraduate students with valuable insights into the complexities of educational management but also provided faculty members with a platform for professional development and knowledge exchange. The university's commitment to fostering excellence in education was evident in the thoughtful organization of this lecture, which served as a catalyst for inspiring the next generation of educational leaders and administrators within the academic community.

Dr. Umar Shiekh, Lecturer Sadaf Sajid and Lecturer Sumera Sharif along with the participants of Post Graduate Girls College Rawalakot
