

CHILD CARE FACILITY AT UNIVERSITY OF POONCH

RAWALAKOT

The **University of Poonch Rawalakot** provides a child care facility aimed at supporting students, faculty, and staff who require assistance in managing their parental responsibilities while pursuing academic or professional goals. The facility offers a safe, nurturing, and developmentally appropriate environment for children, with trained staff to ensure quality care and supervision. The child care center is equipped with engaging educational resources, play areas, and health-conscious practices to foster the well-being and growth of the children. This initiative reflects the university's commitment to creating an inclusive and supportive campus environment for its community members.
