

Report on SDG-17

PARTNERSHIP FOR THE GOALS

World Soil Day Celebrations at UPR:

World Soil Day is observed annually on the 5 December. It is a global event meant to draw attention to the problem of soil and water. To put in a little effort on the global level UPR arranged an awareness walk to help spread about soil and water issues.

Seminar on Food Safety

The University of Poonch Rawalakot has launched a project aimed at promoting food safety in Azad Jammu and Kashmir. Each year, UPR experts organize conferences and workshops to raise awareness about food safety within the local community. Additionally, UPR specialists travel to various regions of AJK to educate and train local farmers and residents on safe food practices.

MoU Between UPR and NBP:

University of Poonch Rawalakot and National Bank Pakistan inked an MoU to establish a collaborative relationship in promoting policies and strategies for sustainable, financing and loans for equitable adaptation of climate-smart irrigation and water management practices leading to improve the livelihoods of poor and marginalized farmers in rawalakot. Prof. Dr. Nasir Raheem,

Dean Faculty of Agriculture and Amjad Tahir, president National Ban, represented their respective organizations for signing the MoU.

MoU Between UPR and MIU:

A Memorandum of Understanding (MoU) has been signed by Prof. Dr. Abid Hussain, Director ORIC University of Poonch Rawalakot and Prof. Dr. Kanwal Ameen, Director ORIC MIU Nerian Sharif, AJK.

The purpose of this MoU is to develop formal linkage between UPR and NIU which is vital to boost research and technical cooperation in all field of Science and technology within the country and to bring benefit to both sides by sharing resources wherever possible.
